# About this toolkit

The Mental Health Working Group of the Interamerican Centre for Volunteering Development (ICVD) alongside the IFRC and West Coast University Internship program have compiled a list of key mental health resources aimed at volunteers, caretakers, and general public in the Americas. The resources compiled are in English or Spanish.

This toolkit collects key resources in mental health support for the following topics:

- Women and motherhood
  - Older adults
- Anxiety and depression
  - Self-care in youth
- Humanitarian assistance
  - Children
  - Burnout
  - Recreation
- Organizational well-being
  - Stress management
  - Substance abuse
- Emotion regulation and management.
